

## Dear colleagues!

XXVIII International Symposium “Nanophysics and Nanoelectronics” will be held at the Congress Center “Oka” from March 11 to March 15, 2024.

The [list of accepted papers](#) is published on the Symposium website by sections:

1. Superconducting nanosystems;
2. Magnetic nanostructures;
3. Semiconductor nanostructures: electronic, optical properties, formation methods;
4. Measurements and technologies of atomic and nanometer scale based on probe, electron-beam and ion-beam methods;
5. Multilayer and crystalline X-ray optics.
6. Element base of quantum technologies based on condensed matter.

## Presentation format

The time limit for plenary talks is 45 minutes (including time for discussion); the time limit for invited talks is 20 minutes (section 3), 25 minutes (sections 1, 2 and 4), 30 minutes (sections 5 and 6); the time limit for oral talks is 15 minutes (2, 3, 4 and 6 sections), 20 min (1 and 5 sections). The acceptable presentation format for the talks is PowerPoint slides or PDF.

## Registration fee

All the registered persons have to pay the registration fee to participate in the Symposium. The registration fee is 14,000 rubles. The cost of the registration fee includes renting the halls of the Oka Congress Center, a Symposium participant's bag with handouts, organizing coffee breaks, publishing the Symposium proceedings.

In case of difficulties with paying the registration fee, one should contact the Organizing Committee to find a mutually acceptable solution.

The Grand Hotel “Oka” (Nizhny Novgorod, Gagarin str., 27) has enough rooms to accommodate all participants of the Symposium. The procedure for preferential accommodation at the Grand Hotel Oka for Symposium participants will be announced in December 2023.

## Proceedings

The Symposium Proceedings will be published before the Symposium starts. The template for the two page abstract will be available on the symposium website in [Documents](#) section. The abstracts complying with the formatting requirements should be uploaded via [My office](#) section on the Symposium website. The submission deadline is January, 16, 2024.

## Organizing committee contacts

Dr. Dmitry Tatarskiy (the scientific secretary of the Symposium), Maria Zorina
